dream three big wishes

hosted by

*If you had one wish in the world and
could ask for absolutely anything from the heart,
what would it be?*

NBC is granting wishes for **DESERVING** individuals and entire communities for a new prime-time television show entitled **THREE WISHES**. Hosted by five-time Grammy-winning recording artist Amy Grant, the show will spotlight people who have inspiring or touching stories to tell.

There is no limit to the places **THREE WISHES** can take us and we hope to touch the lives of many along the way. No story is too big or small when it comes to making dreams come true.

Here are just a few suggestions of the wishes we hope to fulfill:

- Children's Christmas wishes
- Letters to Santa
- Reuniting friends, family members or long-lost loves.
- Would you like to say "I'm sorry"? Or need help forgiving?
- Fulfilling lifelong fantasies
- Good Samaritans
- Save a factory from closing
- Reliving an old glory
- Child that would love to rescue animals in danger.
- Struggling Inventors

So ask yourself, if you could make a life-changing **wish**, what would it be? Would you like to surprise someone with a **wish**? Can we help grant a **wish** to an entire town?
